Language Other Than English (LOTE) Options for Meeting World Languages Graduation Requirement

Pathway	Guidance	Documentation
1. Completion of two years of district world languages courses	Students will earn graduation credit for world languages courses taken at an SDUSD school in Grades 7 – 12. NOTE: Validation of a Language Other Than English <i>Passing a higher-level course validates the course of study for any lower level courses.</i>	<i>Students will earn a grade/graduation credit for each course taken.</i>
2. Completion of two years of district-approved Independent World Language School Courses	Students enrolled in world language courses at District-approved Independent World Language Schools may earn graduation credit while enrolled at a District high school in Grades 9 – 12 (per Title 5 of the California Code of Regulations).	<i>Students will earn a grade/graduation credit for each course taken.</i>
3. Passing a World Language AP or IB exam	Score of 3 or higher on an AP Language and Culture or AP Literature exam. Score of 5 or higher on an IB Language HL exam.	Student grade/graduation credits will be recorded on SDUSD transcripts for students formally enrolled in AP and IB courses. For students taking an AP or IB exam while not formally enrolled in the course, a LOTE Proficiency Principal Certification is needed. <i>District graduation credit or grade will not be earned for AP/IB exams taken by students not formally enrolled in the course.</i>
4. Formal schooling in a Language other than English (LOTE)	Students with transcripts documenting a minimum of two years of formal education abroad in a language other than English at or beyond Grade 6 have met the world language graduation requirement. Consecutive enrollment is not required.	School transcripts or other enrollment documents are needed. A LOTE Proficiency Principal Certification is needed. <i>District graduation credit or grade will not be earned.</i>
5. Passing a LOTE Alternative Assessment (Avant STAMP)	Students who have never had the opportunity to take a world language course in grades 7 and above, or who do not have transcripts to document formal education in a language other than English, and the Home Language Survey (HLS), parent/guardian indicates a language other than English, may choose to demonstrate proficiency via a LOTE Alternative Assessment. A composite score of Novice-High, 3 or higher on the AVANT STAMP assessment is required to pass.	Principal Certification for LOTE Proficiency is needed. <i>District graduation credit or grade will not be earned.</i>
6. Assessment by a college or university	Some university language departments will conduct an assessment and issue a statement of competency on official letterhead. This formal document will show that the student has met the world language graduation requirement. Students should contact the college or university directly in order to schedule an assessment. Students will be responsible for any expenses incurred during the assessment process.	College or university verification of proficiency is needed. Principal Certification for LOTE Proficiency is needed. <i>District graduation credit or grade will not be earned.</i>
